**Subject:** Thank you for protecting NC???s water

Dear Gov. Roy A. Cooper III,

Thank you - I really appreciate your requesting additional information as you evaluate a decision on the water certification for Duke's proposed Atlantic Coast Pipeline. This project is too much of a risk to our state and jeopardizes already vulnerable communities.

I want to go on record as strongly opposing Duke's proposed pipeline. We need you and the DEQ to continue to protect our waterways, and ensure ill-advised projects like this don't put an extra burden on the Native Americans, low-income residents, and communities of color that would have had the pipeline forced onto their homes and neighborhoods. Again, thank you!

Sincerely,

Mrs. Bonnie Westbrook
